INFORMATION FOR STUDENTS

We hope your time at Saranac will be one of the best weeks of your life! Listed below are some important camp policies which you should know. In addition, we have also provided a packing list. We look forward to serving you!

Camp Policies

- **Cell phones, smart watches with cell service capabilities, and electronic accessories** (*like AirPods, headphones, iPad, Nintendo DS, PSP, etc.*) **are NOT permitted at camp**, but they *are* permitted on the bus. We realize your parents may wish to contact you on your cell phone, but please understand that the camp is remotely isolated in the Adirondack Mountains of NY State, so as a result very few cell phones actually work at camp. All cell phones and other electronic accessories will be collected on arrival at Saranac and stored in the camp safe for the duration of the week. Of course, all items will be returned to you when we depart camp. Just be sure to mark your name on each electronic item. If your parents wish to contact you, they should call the camp office at **(518) 891-3010** and leave a message for you. If you wish to call home, there are public telephones at camp which you may use for free.
- **Absolutely NO alcohol, e-cigarettes/juul, hookah, or illegal drugs are permitted.** If you bring any such items to camp, we will notify your parents, and they may be asked to pick you up at camp and take you home immediately.
- We are committed to fostering a safe environment in which all participants are treated with respect and dignity. Inappropriate behavior like hazing or pranking, which embarrasses and humiliates others, undermines this principle and is strictly prohibited and will not be tolerated under any circumstances. Engaging in such behavior may result in immediate disciplinary action, including dismissal from camp.
- If you have attended Saranac or any other AYL summer camp in the past, please keep the surprises and events a secret so first-timers have an unspoiled experience. Thanks!

COVID/Illness Concerns

We want this to be a healthy experience for everyone. If you develop COVID or have any other illnesses like a cold or the flu on the day of our departure, we ask you to stay home. Please TXT/call us at **(201) 777-0-AYL (0295)** if you are sick.
